OUR BUSINESS OVERVIEW AND STRATEGY

Company Overview: Our Company was originally incorporated as a Private Limited Company under the name of “Supertech EV Private Limited” on August 12, 2022 under the provisions of the Companies Act, 2013 with the Registrar of Companies, NCT of Delhi & Haryana. Subsequently, the name of our company was changed from “Supertech EV Private Limited” to “Supertech EV Limited” and a Certificate of Incorporation pursuant to conversion into Public Limited dated December 21, 2022 issued by the Registrar of Companies, NCT of Delhi & Haryana. Subsequently, on March 31, 2023, the running business of the proprietorship concern of our Promoter namely “Supertech Inc” was taken over by the Company, along with the assets and liabilities of the proprietorship concern as going concern. Our Company has a limited operating history of 2.10 years. Our company is an ISO 9001:2015 certified Company.

Our Company has strategically designed a robust revenue model, to sustain its financial health and foster growth in the competitive electric vehicle market. Our company’s primary revenue stream emanates from Sales of various models through its established distributor network, encompassing the sale of electric two wheelers and E-rickshaws directly to customers.

The expansive and growing network of dealers serves as vital touchpoints for customers, facilitating product sales and offering maintenance services. By leveraging the distributor network, Supertech EV Limited, taps into diverse markets, enhancing its market penetration and overall revenue potential.

Product/Service Offering: We have more than 12 different models which have been launched in the domestic market catering to the various needs and segments. Kindly refer Section “*Our Business*” on page 143 of the Red Herring Prospectus.

INTERNAL RISK FACTORS

Business Risks/Company Specific Risk: Below mentioned risks are the top 10 risks factors as per the Red Herring Prospectus:

1. Our success depends on our ability to successfully develop, introduce, manufacture, market and deliver new electric vehicle models of high quality on schedule and on a large scale, which may expose us to new and increased challenges and risks.
2. Our business is operating under various laws which require us to obtain approvals from the concerned statutory/regulatory authorities in the ordinary course of business and our inability to obtain, maintain or renew requisite statutory and regulatory permits and approvals for our business operations could materially and adversely affect our business, prospects, results of operations and financial condition.
3. Our Company's logo is not registered with the Registrar of Trademark; any infringement of our brand name or failure to get it registered may adversely affect our business.
4. We have experienced negative cash flows in the past and may continue to do so in the future and the same may adversely affect our cash flow requirements, which in turn may adversely affect our ability to operate our business and implement our growth plans, thereby affecting our financial condition.
5. We have a limited 2.10 years of operating history upon which investors may rely in evaluating our business and its prospects.
6. We depend on third parties for the supply of raw materials and do not have firm commitments for supply or exclusive arrangements with any of our suppliers. Loss of suppliers may have an adverse effect on our business, results of operations and financial condition.
7. Case has been filed by the Commission for Air Quality Management in NCR and adjoining areas against our Company is currently pending, and any adverse decision may materially affect our financial condition, results of operations, and reputation.
8. Pricing pressure from our distributor may adversely affect our gross margin and profitability. Inability to increase our prices, which may have a material adverse effect on our results of operations and financial condition.
9. We could experience defects, quality issues or disruptions in the supply or increase in prices of components used in our electric vehicles thus increasing material costs and the price of our electric vehicles and impacting our projected manufacturing, delivery timelines and profitability.
10. Our Registered Office and manufacturing units/ factories are located on rental premises. If we are unable to renew such rent agreements or relocate on commercially suitable terms, it may have a material adverse effect on our business, results of operation and financial condition.

Further, the specific attention of Investors is invited to the section "**Risk Factors**" beginning on page 30 of the Red Herring Prospectus. Bidders are advised to read the risk factors carefully before taking an investment decision on the Issue.
